I'm writing to you to offer myself as a speaker at one of your upcoming meetings. The principle of your Chamber or club "Service above self" is in line with my ABC message.

My name is Al Foxx and I am an international inspirational speaker who is also the survivor of a paralyzing motorcycle crash. My favorite topic as well as my business name is **Winners Don't Quit**.

"Al Foxx will make you laugh, cry and think." Mark Matteson. Best selling author of Freedom From Fear. www.sparkingsuccess.net

"Al Foxx is a powerful, courageous and honest speaker who takes you through an incredibly inspiring journey of self discovery and leaves you with a feeling of gratitude and self awareness." Shirin Sherkat, Psy, D. www.CreateHappyKids.com

The goal of everyone in business is to have a winning business. Winning businesses don't quit. My message can be summarized as the ABCs of winning in business and life:

- 1) Appreciating** every customer, client, staff person, supplier, vendor and everyone in the community by anticipating their needs. The value people place on all their relationships increases as I describe my appreciation for the many people who played a role in my recovering from a paralyzing motorcycle crash.
- 2) Believing** in the value of your business and what you offer as well as believing in your possibilities and creativity. They said I'd never walk, talk, drive, or work again. I believed differently. Working for what you really believe is powerful.
- 3) Contributing** to the community by providing jobs, services, products, and by sponsoring events as well as giving to local causes. **Contributing** to a community is done by **caring** about the community.

"Al Foxx had me in tears—both because I was so inspired by his story and the way he tells it—and because he is hilarious." KrisProchaska, MA, LMHC www.speakfreelynow.com

I'd be honored to speak at one of your upcoming meetings. See me in action on a you tube clip <http://youtu.be/G1QQR5jJnAk>

Respectfully anticipating your response,

Al Foxx
